The following is the course of study required for the Degree of Doctor of Medicine :—

Anatomy and Physiology	Two Courses of Six Months each; with the exception of Clinical Medicine and Surgery, the courses of which may be each 3 months only.

Principles and Practice of Medicine.	
Materia Medica and Pharmacy . .	
Obstetrics and Diseases of Women and Children*

* Three months' Medical Jurisprudence and three Midwifery will be considered equivalent to the six months' course of Midwifery.

The candidate for Graduation must have been at least FOUR YEARS engaged in the acquisition of professional knowledge; and, during that time, must have attended, for THREE SESSIONS, Lectures in some recognized Medical School.

ONE YEAR engaged with a respectable medical practitioner, previous or subsequent to the THREE SESSIONS' attendance on lectures, will be equivalent to attending lectures a fourth session.

One Session, at least, must have been passed in this University; during which time all the above-named classes must have been attended.

The candidate will be required to give proof, previous to his examination, of his classical attainments*; and to present to the Faculty a Thesis, written by himself, on some medical subject.

He must be twenty-one years of age before receiving his Degree.

Certificates of attendance on Lectures will be received from any incorporated Medical School in the British dominions; and, also, from others recognized by the British Colleges. Other certificates of attendance on Lectures will be admitted at the discretion of the Medical Faculty.

* The London Pharmacopœia and Gregory's Conspectus, or Cæsar's Commentaries, are the works which the Medical Schools of Upper Canada have agreed to examine in next session.

The fees payable will be \$12 for each class; except Clinical Medicine and Surgery,* which will be \$6 each, and will entitle the Student to Hospital attendance.†

Attendance on two courses of any class entitles to a perpetual ticket.

The Graduation Fee is \$30, and the annual Matriculation Fee \$2.

A grant of money having been obtained from the Provincial Legislature, the Professors will be supplied with everything necessary to conduct the course with efficiency. A large increase of accommodation in Lecture Rooms, &c., will be afforded this session, by the Trustees of the College, to the Medical Faculty.

Abundant material will be supplied this Session, as it has been during the two past, for Practical Anatomy.‡

* Students attending the Surgical Clinique will have the benefit of the experience of Dr Thornton, Surgeon of the 9th Regiment; who will deliver a series of Lectures relative to the Surgery of the Crimean campaign.

† In the "Announcement" of last year, it was stated in a foot note that "Should any general arrangement be entered into by the Provincial Medical Schools, the same fees will be charged here as elsewhere; but no advance will be made on the fees above named to students matriculating here next session." Accordingly, a correspondence took place on the subject with other Upper Canadian Medical Schools, and the result has been the Tariff above. This change, however, cannot affect those who matriculated here last session; as the Faculty consider themselves bound by their previous announcement.

‡ The Professor of Anatomy will be assisted in the Dissecting Room by Dr Meadows, one of the Assistant Surgeons of the 9th

Opportunities will be afforded, in and out of Hospital, of studying Obstetrics practically.

Five Lectures a-week, each of an hour's duration, will be delivered by each Professor. An exception will be made in regard to Clinical Medicine and Surgery, which will be twice a-week.

A Weekly examination of the Classes will take place ; such examination being equivalent to a Lecture.

Regular attendance on Lectures will be compulsory.

 The University of Queen's College being incorporated by Royal Charter, those possessing its Degree in Medicine will be entitled to their Provincial License, to practise Physic, Surgery, and Midwifery, by presenting their Degree to a District Judge, identifying themselves on oath as the persons named therein, and paying \$4—the fee now paid by British graduates in Medicine to the Provincial Secretary for a License to practice in the Province.

 The attention of Parents and Guardians is directed to the fact, that it is the wish of the Faculty to place their students as far as possible under strict tutorial guidance. To such there-

Regiment. Dr Meadows will give particular attention to the Microscope; the Faculty being supplied with two of the best instruments of British manufacture, in addition to others of inferior value.

fore as desire it, reports of conduct and progress will be afforded. Arrangements will be made for attendance on Divine worship in the churches to which the students may severally belong. The situation of Kingston, which renders it one of the most healthy towns in the British dominions—its freedom from the seductions to idleness and vice of populous cities, and the fact that living costs a third less than in larger places, are circumstances which may also claim the attention of parents and guardians.

PROCEEDINGS OF THE BOARD OF TRUSTEES.

QUEEN'S COLLEGE, }
4th JUNE, 1853. }

The Annual General Meeting of the Board of Trustees of Queen's College, was held this day.

The Rev. Rob. Burnet, of Hamilton, was unanimously elected a Trustee in room of the late Rev. Dr. McGill.

The Hon. John Hamilton was unanimously re-elected Chairman for the ensuing year.

The Meeting then adjourned to such day as the Chairman could be present.

QUEEN'S COLLEGE, }
3rd JULY, 1853. }

The Board of Trustees met this day.

The proceedings of the Executive Committee for the past year were sustained and approved.

The re-election of the following lay Trustees, who had retired by rotation, according to terms of the Royal Charter, was reported.

JOHN CAMERON, ESQUIRE,
JOHN MOWAT, ESQUIRE,
F. A. HARPER, ESQUIRE,
JOHN THOMPSON, ESQUIRE.

The following gentlemen, selected according to terms of the Royal Charter, from a list nominated by the various congregations, were reported to have been elected by the lay Trustees, to fill vacancies in the Board:

ALEX. MCLEAN, ESQUIRE, Cornwall.
Dr. LIVINGSTON, Russeltown.

The Secretary was directed to inform these gentlemen of their election, and to place their names upon the Roll of Trustees, as required by the Royal Charter.

An anonymous letter, signed "A Son of Alma Mater," and written by Mr. H. J. Borthwick, Head Master of Queen's College Preparatory School, having been referred to the Board of Trustees by the Executive Committee, it was resolved that a Special Meeting for consideration of the matter should be held on Thursday, the 10th instant.—The Secretary was directed to intimate this to Mr. Borthwick, and to inform him that any statements which he might have to present, would then be received in writing.

Application having been received from the Rev. Professor Smith for re-payment of the sum of £29 5s. Stg., being expenses incurred in travelling to London on College business, it was resolved that this amount should be repaid to him.

It was further resolved, that the Trustees would not at present remit any money to the Rev. Prof. Smith for the purchase of books for the College Library, it being deemed advisable that the selection of such books should be left to the Senatus Academicus.

In reply to the Rev. Prof. Smith's application, it was further resolved that one-half of his salary for the past year, should be paid to him.

The Rev. Dr. George having during the past year undertaken the Class in Church History for the Rev. Prof. Smith, and having also discharged the duties of Principal of the College, it was resolved that the sum of One Hundred Pounds should be paid to him, as remuneration for such extra services.

The Trustees then considered the subject of making some adequate remuneration to the Rev. Dr. Machar, who had, during the past year, conducted the Hebrew Classes of

the Rev. Prof. Smith. Dr. Machar being present, respectfully submitted, that in undertaking the Hebrew Classes, he had determined not to accept any salary for teaching them, and that he now abode by that determination. But if the Trustees should see fit to record their approbation of his services by presenting him with a suitable book, it would be highly gratifying to him to receive from them such a memorial of the manner in which he had discharged the duty which he had undertaken at their solicitation.

It was then unanimously resolved that a copy of WALTON'S POLYGLOT BIBLE, with Castell's Lexicon, should be presented to Dr. Machar by the Trustees, as a Testimonial expressive of their appreciation of the value of his services to the College, and to the Young Men composing the Hebrew Classes.

It was resolved that the sum of Five Pounds should be placed at the disposal of the Rev. Dr. Williamson, to be expended on Philosophical apparatus.

The Secretary was directed to write to the Rev. Dr. Fowler, of Ratho, Convenor of the Colonial Committee of the Church of Scotland, in reference to the annual grant to the College.

QUEEN'S COLLEGE, }
10th July, 1856. }

The Secretary reported that he had communicated the resolution of last meeting to Mr. H. J. Borthwick, Head Master of the Preparatory School, and read a letter in reply, in which Mr. Borthwick stated that he considered himself no longer answerable to the Board for the opinions contained in the anonymous letter.

It was then unanimously resolved that the Secretary be directed to inform Mr. Borthwick, that the Trustees would have no further occasion for his services after the close of the current year, ending 30th September.

It was further resolved that the Secretary should advertise in four leading papers for a Head Master for

Queen's College School, applications and testimonials to be sent in before 10th September next.

It was decided that steps should be taken to procure legal opinions as to the possibility of College Funds being at any time alienated to the use of the Medical Faculty.

QUEEN'S COLLEGE,
15th October, 1856. 3 P.M. }

A General Meeting of the Trustees of Queen's College, specially called in accordance with the Royal Charter, was held this day.

A letter from Mr. H. J. Borthwick, formerly Head Master of Queen's College School, having been laid before the meeting, it was resolved that Mr. Borthwick should be informed, that, as his case had been decided at an adjourned General Meeting of the Trustees, at which a letter was read from him declining to recognise their jurisdiction, this Board cannot now enter upon it.

There not being a sufficient number of Trustees present to proceed to the election of a Professor to fill the vacant chair, the meeting was adjourned to the evening at 8 o'clock.

QUEEN'S COLLEGE,
15th October, 1856, 8 P.M. }

An adjourned Meeting was held this evening.

On motion of the Rev. Dr. Urquhart, seconded by the Rev. Dr. Machar, it was resolved that this meeting should adjourn to Wednesday, the 19th November next, and that in the meantime an urgent letter should be addressed to all of the Trustees, strongly pressing upon them the necessity for a full attendance.

QUEEN'S COLLEGE, }
19th November, 1856. }

An adjourned General Meeting was held this day.

The appointment of a Professor to fill the vacant Chair of Oriental Languages, Church History and Biblical Criticism, having been brought before the Meeting, it was unanimously

Resolved—That inasmuch as no definite time had been stated by the Board for receiving applications to fill this Chair, the Board agree to publish in one or more papers in Edinburgh, Glasgow, Aberdeen and St. Andrew's, in Scotland, and in the newspapers of Montreal, Quebec, Kingston and Toronto, that applications will be received up to the 1st May, 1857; also, that the following be a Committee to carry out the above, the Hon. John Hamilton, the Rev. Dr. Machar, the Rev. Dr. George and the Rev. Dr. Williamson.

It was moved by Mr. Mowat, seconded by Mr. Drummond, and

Resolved—That the Minute of the Board of Trustees, dated 20th June, 1855, appointing Medical Professors in this University, be confirmed. Dr. Machar, Dr. George and Mr. Malloch, dissented from this motion.

The Meeting then adjourned to next morning.

QUEEN'S COLLEGE, }
20th Nov., 1856, 9½ A.M. }

An adjourned General Meeting was held this morning. The minutes of last Meeting were read and adopted.

After conversation and the interchange of opinions on subjects connected with the College, the Meeting adjourned *sine die*.

Compiled from the Minutes.

JOHN PATON,
Secretary.

Borthwick, Head master of Queen's College Preparatory School, having been called in, stated in reply to the questions of the Chairman, that he was the author of the letter; and further, that he was not at liberty to mention from whom he had received the information upon which the charges contained in the letter were grounded.
